WORK EXPERIENCE

Worked at family eco-tourism business in Daintree, Australia: Worked at the front desk, helped my mum design the website, networked with local businesses for advertising, all during my summers or years when I lived in Australia starting in 4th grade.

(Not a real business) Business Manager and Product Developer at JAGwire Software: Formed a development group with two of my friends to develop mobile and desktop software and video games, released an application on Android, currently developing a video game.
